Agents notes

Any prospective buyer must meet the local area connection eligibility criteria applicable for shared ownership homes on this development.

If the buyer meets these criteria, with their permission they will be referred to Metro Finance for their affordability assessment. This is compulsory for anyone wishing to

purchase a shared ownership home.

"Eligible Occupier" means a person or household containing a person who is in housing need for a property of the type in question and who is unable to afford to purchase or rent dwellings of a similar kind generally available on the open market within the administrative area of the Council provided that a person within the household has a Local Connection with Lower Nidderdale Sub Area, including the parishes of Birstwith, Bishop Thornton, Clint cum Hamlets, Felliscliffe, Ilampsthwaite, Killinghall, Nidd, Ripley and Part Saltergate Ward but in the event that no such person or household seeks to occupy the Affordable Housing Unit then the Registered Provider may widen the Local Connection catchment to the District of the Council with the written approval of the DC.

5. Eligibility Criteria

5.1 For applicants to qualify for shared ownership, the Group must undertake eligibility checks in line with current regulation, planning restrictions and Homes England guidance.

5.2 Homes England requirements state that the applicant can buy a home through shared ownership if both of the following are true:

- * their household income is £80,000 a year or less.
- * they cannot afford all of the deposit and mortgage payments for a home that meets their needs.

One of the following must also be true:

- * they are a first-time buyer.
- * they used to own a home but cannot afford to buy one now.
- * they are forming a new household - for example, after a relationship breakdown.
- * they are an existing shared owner, and they want to move.
- * they own a home and want to move but cannot afford a new home that meets their needs.

For some homes, the applicant may have to show that they live in, work in, or have a connection to the area where they want to buy the home.

5.3 Applicants must reside or be eligible to reside within the UK.

5.4 If the applicant already owns their own home, they may still be eligible for shared ownership, but will need to be assessed by an Independent Financial Advisor (IFA) and be able to confirm that they have:

- * formally accepted an offer for the sale of their current home (called 'sold subject to contract' or 'STC').
- * written confirmation of the sale agreed (called a 'memorandum of sale') including the price and their intention to sell.

The applicant must have completed the sale of their home on or before

the date they complete buying their shared ownership home.

"Local Connection" means an Eligible Occupier has a Local Connection with an area if:

that person or a person within that household currently lives in that area and has lived there for at least 2 (two) years; or

has Close Family ordinarily resident in the area (for a minimum period of 5 (five) years previously); or

has previously lived in that area (for a continuous period of at least 10 (ten) years); or
